

What does home mean to you?

Concepts: Community, Belonging, Change.

Our Curriculum

English:	This half-term we will be launching our novel study of 'Fantastic Mr Fox.' We will be looking at comparative language, using paragraphs, and subordinating and coordinating conjunctions in preparation for a comparative piece of writing. Following this, we will then go onto to write a diary entry from the perspective of Mr Fox.	
Maths:	We will be studying: <ul style="list-style-type: none"> • Addition • Subtraction • Multiplication • Division 	
Topic: History	<ul style="list-style-type: none"> • Use evidence to ask questions and find answers to questions about the past. • Use dates and terms to describe events. 	
Geography	<ul style="list-style-type: none"> • Ask and answer geographical questions about the physical and human characteristics of a location. • Describe how the locality of the school has changed over time. 	
Science:	<ul style="list-style-type: none"> • Light • Rocks and soils 	
Computing: Scratch	DT: 3D models.	P.E.: Dance
Art and: Pencil skills and colouring mixing	Music: Pulse and rhythm	PSHCE: Being me in my world

Important Information

PE

Our PE day is a Tuesday and children should come to school in full PE kits. Jewellery to be removed where possible. As the weather is turning colder it is important that children have a suitable jacket to wear should PE take place outdoors.

Our Home Learning Schedule

Due to current restrictions, we will be swapping book every Friday. This is to allow for books to be quarantined for the following week. We will also check reading cards on this day too.

As a guide, the following homework will be set for Year 3 each week:

- We encourage you to read each night with your child.
- Spellings at present we are using the common exception words list practice the spellings which haven't been highlighted.
- We will also begin to send out spellings which will be tested on a Friday and new spellings given out to learn over the week.
- We also encourage children to be accessing TTRockstars on a weekly basis.

Remote Learning:

If your household is isolating or if our bubble has to close we will be providing daily Mathematics, Reading and English activities and have the option of completing a further project-themed activity via email and dojo portfolios as before.

Suggested Creative homework Projects

We would love to see these in person or on Dojo portfolios.

Challenge: How many can you complete?

- Design and/or make a home you belong in. You can make it any way you like, for example, you could draw it, paint it or junk model it!
- Can you make a leaflet discussing homelessness and how we can help those in need?
- Can you design/make a meal that would have been eaten by a person living in the Stone Age?
- Make a presentation on life in the Stone Age. You could present this in any way you chose. For example: a video presentation, a PowerPoint presentation or some form of poster.
- Research what houses in Wath used to look like. Write a comparison about what they were like then compared to what they are like now.
- Create your own version of a cave painting. Using the style of the cave art we have looked at, can you create a piece of art that is meaningful to you?
